

Welcome to SAYiT!

Please ask a parent or carer to read the information below and complete the form. If you live independently, you can sign this form yourself.

SAYiT Trips

We sometimes go on local city centre trips. These usually take place on a Thursday instead of our usual Fruitbowl group although once in a while they will take place on another night of the week. E.g. Laser Quest, IDAHOBIT or an event put on by another youth charity. **These trips usually involve both Younger and Older Fruitbowl together (11-17y/o) and may have timings that differ from the usual.** We aim to give as much notice as possible that we are going on a trip as well as providing information about what the environment will be like where we are going.

School Holiday Events

During the school holidays we generally do not run evening groups and instead put on a programme of events and projects. **These events generally involve all of our groups together (11-25y/o).** We will publish the programme in advance and will always travel with young people to and from Scotia Works for all holiday events. Examples of recent school holiday events include swimming, videogame museum trip, graffiti project.

Anything outside of the above categories we will ask for additional consent of a Parent/Guardian e.g. A residential or a trip outside of the city centre.

External Events

Sometimes we advertise external events that may be of interest to our members but that are not a 'Fruitbowl Event'. **Young people are responsible for their own transport and welfare during these events, which are often public.** E.g. events ran by other Youth organisations, Transgender Day of Remembrance, Sheffield Pride, Rainbow Laces Football Tournament.

Details of all trips and events will be published on Minga App (ask a youth worker to get you signed up) as well as hard copies available at the group.

If you have any questions about the above, please get in touch on our Youth Work mobile 07305096584 or info@sayit.org.uk

I agree to the young person in my care taking part in “SAYiT Trips” and “School Holiday Events” in the city centre. I am satisfied that they are in good health and that their health is adequate to cope with the activities. They are not participating contrary to medical advice.

In the unlikely event of an accident occurring when I cannot readily be contacted, I give my permission for the party leader to authorise emergency medical, surgical or dental treatment, including anaesthetic or blood transfusion, if deemed necessary by the medical authorities present.

I understand the extent and limitations of the public liability (third party) insurance cover provided, and understand that if I require additional personal accident insurance I must arrange this myself.
