

Welcome to Prism!

Please can you read the information below and complete the form.

SAYiT Trips

We sometimes go on local city centre trips, e.g. IDAHOBIT or an event put on by another youth charity. We aim to give as much notice as possible that we are going on a trip as well as providing information about what the environment will be like where we are going.

School Holiday Events

During the summer we put on a programme of events and projects. **These events generally involve all of our groups together (11-25y/o)**. We will publish the programme in advance and will always travel with young people to and from Scotia Works for all holiday events. Examples of recent summer events include swimming, videogame museum trip, graffiti project.

Anything outside of the above categories we will ask for additional consent of a Parent/Guardian e.g. A residential or a trip outside of the city centre.

External Events

Sometimes we advertise external events that may be of interest to our members but that are not a 'Prism Event'. **Young people are responsible for their own transport and welfare during these events, which are often public.** E.g. events ran by other youth organisations, Transgender Day of Remembrance, Sheffield Pride, Rainbow Laces Football Tournament.

Details of all trips and events will be published on Minga App (ask a youth worker to get you signed up) and hard copies will be available at the group.

If you have any questions about the above, please get in touch on our Youth Work mobile 07305096584 or info@sayit.org.uk

One-off events

I agree to taking part in "SAYiT Trips" and "Summer Events" in the city centre. I am satisfied that I am in good health and that my health is adequate to cope with the activities. I am not participating contrary to medical advice.

In the unlikely event of an accident occurring, I give my permission for the party leader to authorise emergency medical, surgical or dental treatment, including anaesthetic or blood transfusion, if deemed necessary by the medical authorities present.

I understand the extent and limitations of the public liability (third party) insurance cover provided, and understand that if I require additional personal accident insurance I must arrange this myself.
